SUBJECT.

Sanskrit Vidwat Examinations held in 1906.

From

The President, H. H. the Maharaja's Sanskrit College, Mysore.

No. 10 Dated the 24th September 1906.

The President has submitted a copy of the Committee's resolutions passed at a meeting held on the 22nd September 1906. Three of the four resolutions relate to the results of the Sanskrit Vidwat Examinations held this year, and the remaining one ~~relating~~ refers to the proposed inspection of the Sanskrit College by the Inspecting Officers of the Education Department. Regarding the latter resolution a separate note will be submitted with previous references.

As regards the resolutions relative to the Examination results, the first is about the rewards to be awarded to the successful candidates. The proposed rewards are in accordance with the prescribed scale sanctioned by Government and may therefore be sanctioned.

The second relates to the grant of an additional sum of Rs.25/- towards Railway fare &c/expenses to each of the three successful candidates who have come from Durbhānga. I am of ~~of~~ opinion that such payment would form an inconvenient precedent and cannot therefore be sanctioned.

The third resolution relates to a reward of Rs. 100/- proposed to be given to a Pandit by name Mullandram Venkataramasrouti, who has come from the North Arcot District. The Committee state that he is a scholar of exceptional proficiency in Sama Veda and Srouta Prayoga and recommend him for a reward of Rs. 100/- without being subjected to the usual mode of examination, owing to his extreme old age. This recommendation may be sanctioned.

Submitted with a draft to the Dewan thro' the Second Councillor.

The draft may be approved. My only doubt was whether the additional 25 Rs should be granted to each of the Darbhanga students who got Rs 125 each as reward - It may create an inconvenient precedent. The Secretary's recommendation which runs counter to the Committee's resolution may be accepted.

Sir,

I have the honour to submit herewith a copy of the Proceedings of the Committee of the Maharaja's Sanskrit College, dated the 22nd Instant and to request the favour of your obtaining the orders of the Government on the resolutions recorded therein.

In regard to Resolution No IV and with reference to your letter No 157 of the 12th July 1906, I beg to state that I am quite in accord with the members in thinking that it is in no way expedient to subject the Maharaja's Sanskrit College to the Inspection course of the Government Educational

Department Such a step does not seem to have been originally contemplated under the circumstances that have given rise to this special Institution, nor does this seem now in any way desirable. The C is now composed of members who are not only capable but also take personal interest in its concerns, the Secretary at personal sacrifice devoting much time and attention thereto.

The assistant Deputy Inspector of Government Sanskrit schools never addressed any communication to the Secretary or to me in the matter, but I learn that he once made a casual mention of it in person to the Secretary who gave him to understand verbally that the subject is one which requires to be mentioned through the proper channel.

I have the honour to be,
Sir,
your most obedient servant,

M Ramakrishnacharlu
President. 24/9/06

------ O ------

I. Read the results of the Vidvat Examinations held in the months of August & September (ಶ್ರಾವಣ) . Forty Candidates applied in all for these examinations, thirty two were examined, and twenty - one passed, as per details in Statement A hereto annexed.

Resolved that rewards and certificates be awarded to the successful Candidates as detailed in Statement B annexed hereto, in accordance with t h e standing rules on the subject.

II. Among the successful, Candidates

are

are three who have come down all the way from Durbhanga, namely, Umesamisra Markandeya Misra, Rama Kantajha. The first is a specialist in Tarka and the other two in Vyakarana. They have studied the subjects far beyond our prescribed Standard and have therefore done well in the Vidvat Examination though they had very little time for preparation: they hold diplomas of high proficiency in Tarka and Vyakarana respectively granted by the Education Department of the Government of Bengal on the results of the Sanskrit Title's Examination. In considration of these facts and also of the long distance they have come from, the Committee recommend that Rs 25/-may be paid to each of them towards Rail-way &c. expenses in addition to the rewards they are entitled to under the rules of the Vidvat Examination.

III. A Vaidika scholar Mullandram Venkatarama Srouti has come from the North Arcot District with the expectation of getting a reward for his proficiency in Sama-Veda and the Smarta and ~~Srelta~~ Srauta Prayoga. His proficiency in the latter is very remarkable and is recognized by all ~~Srautis~~ Srotriyas as well as some of the members of the Committee who know him personally. He is a typical Vaidika Brahman nearly seventy years old. Though on account of his age

age he has not been subjected to the usual mode of examination, yet, the Committee have had ample opportunities of testing his proficiency in connection with the recent College Examinations. They consider him fully qualified for a special reward on account of his exceptional proficiency in the Sama-Veda and ~~Śrauta~~ Śrauta. It is accordingly recommended that a reward of Rs100/- be awarded to him.

IV. Read the Muzroi Secretary's letter No: 157 dated 12th July 1906 asking for the Committee's views as to whether the College may be made amenable to Inspection by the Assistant Deputy Inspector of Sanskrit Schools.

RESOLUTION :-

The Committee are unanimously of opinion that the Maharaja's Sanskrit College should be kindly treated in this matter like the First Grade English Colleges which are not amenable to the Inspection of the Inspecting Officers of the Education Department. The Members of the College Committee who are all Sanskrit Scholars of high proficiency in the various branches of Sanskrit Learning inspect the progress of Studies in the College periodically. The College is moreover daily supervised by the Secretary to the Committee who

is

is himself a Sanskrit Scholar. The progress of the several classes in the College is tested every quarter thro' examiners who as a rule are not the teachers of those classes, including the members. The Committee accordingly think it unnecessary to bring the College within the jurisdiction of the Inspecting Officers of the Educational Department.
